

Privacy Policy

1. Introduction

This Privacy Policy outlines the types of personal information that we collect, use, and protect when you use our website and related services.

2. Data Collection and Use

We collect user data for analytical purposes only, and this data is used in an anonymized form. We do not share your personal information, including email addresses, with third parties.

3. Telegram Bot and Private Channel

By using the Telegram Bot and joining the private Telegram channel, you acknowledge and agree that you are fully responsible for the use of these platforms. We are not responsible for any actions taken on Telegram or within the private Telegram channel.

4. Email and User Data Protection

We take all necessary measures to protect your personal information. Your email address and other personal details will only be used for communication related to your subscription and services on the website.

5. No Responsibility for External Platforms

We are not liable for any use or actions taken on external platforms such as Telegram. By subscribing to the bot and private Telegram channel, you accept full responsibility for your actions on these platforms.

6. Contact
